## Daily Lesson Plan for Four-Year-Olds

Syracuse City School District, New York

**Topic:** Preschool Language and Literacy

**Practice:** Teach Phonological Awareness

Syracuse preschool teachers use this lesson plan format to map out a full day of classroom activities. The teacher first identifies instructional objectives and learning outcomes, then links activities to these objectives and program standards. In this example, the teacher's objectives include rhyming and counting the number of words in a sentence. Notice how the teacher has integrated these phonological awareness skills into language-centered instructional activities.

Full-day Lesson plans	Theme: Our World Unit 3 – week 2	Objectives: 1. Producing rhyming words. 2. Counting the number of words in a sentence. 3. Recognizes Gg. 4. Recalls and retells story events. 5. Locates title on book cover.	Outcomes: Children will develop their awareness of how things grow and change. Recognize characters, setting, and plot as story elements. Identify words as groups of letters.
Time	Subject	Activity	Standard
9:00 – 10:00	<b>Language Centers:</b> Arrival & Sign-in, Writing Center, Computer, Books, Puzzles and Manipulatives (Daily components include Reading, Oral Language, Phonemic Awareness, Letter Awareness, Alphabetic Principles and Writing)	Letter Cover-Up (See SF pg. 48) Rhyming / Alphabet Bingo/ Counting Words Flow charts: How I've Grown or Phases of the Moon. <u>Goodnight Moon</u> game Journals Puzzles Words that go with "Papa, Please Get Me the Moon."
